The Woodford Orators.

Report of the Faculty Committee—Chosen Orators.

The committee of the University Faculty consisting of Professors C. M. Tyler, Redfield and Prescott, appointed by the President to judge the Woodford orations, submitted their report yesterday afternoon, after its second meeting a former one having been held on Thursday evening.

The recommendations of the committee were approved by the faculty. From the whole number of orations handed in, which was unusually small, the following men were chosen:

Herrick Cleveland Allen, Richfield, New York, "Some Tendencies of the Material Age."

He presented the paper from Union College in 1897. On the following year he won the '86 memorial prize and, since that time he has been prominent as a debater. Entered in the baseball as a competitor of the '94 memorial. He is also to be the University's representative at the Central Oratorical League contest.

George Abraham Everett, Potsdam, New York—"The Future of France." Since entering the university he has more or less prominence in the baseball as having played on his class teams. He was an '86 memorial speaker of last year. He is pursuing the course in Arts.

Herbert Blanchard Lee, Buffalo, New York—"The Training for Political Life." He was a competitor for the '86 memorial prize and is at present on the business manager of the "Sun."

William Carrington Richard, Buffalo, New York—"Education for the Democracy." Entered the university '85 and is a candidate for the degree of Bachelor of Arts. He like all the Woodford speakers was an '86 memorial speaker last year.

Henry Harrold Tuttle, Richfield Springs, New York—"Anglo-American Alliance." He was manager of the '85 varsity football team and spoke in his junior year in the '86 memorial stage.

Charles Van Patten Young, Williamsport, Pennsylvania, "The right of the Governed in the Philippine Islands." Entered the university for '85 and has played for four years on the '85 varsity football eleven and was last year's captain of the baseball team. Entered the university '86 and is a candidate for the '86 memorial prize. It is a very interesting fact that all these men appear last year on the '86 memorial stage and the first time that any of them have been in the circle of the Woodford orators have been experienced speakers.

The themes that are offered are most interesting and very timely.

A special card for the campus will be waiting at the close of the Fencers' Club dance Monday night.

The regular systematic spring training of the track candidates began at Percy Field Thursday morning. A total of thirty candidates reported for the meeting. Men together with about as many more who are expected to register today will begin active work for the Cornell track prior to the meet place last month of April. The following of last year's men registered yesterday: W. D. Sullivan, G. A. Larkin for the broad jump; H. R. Clark and J. C. Alexander for the low hurdles; V. N. Delamater, 220 yards dash; V. N. Delamater, G. A. Larkin, E. N. Joseph and W. C. Baker, 100 yards dash; R. Deming and G. H. Young, pole vault; D. C. Alexander, high hurdles; S. L. Tuttle, one mile; P. B. Kennedy, relay team third half mile; and A. B. Luedecker, shot.

A meeting held last night at the Club's rooms on Eddy street, N. L. Knipe was elected secretary of the club. The Military Hop committee desires to announce that the competition for the Military Hop of April 14, 1920, has been contemplated. It will close again at noon on Monday, April 10.

At a meeting of the A. D. White Club last evening, J. C. Young, G. W. Wyvold, Gilmus and L. J. Reynolds were elected delegates to the Debatable Club banquet to be held Monday evening.

Orders for books of tickets on the Ithaca Street Railway will be procured of me on Monday afternoon, April 10 and thereafter. The terms are 100 tickets $3.00; 50 tickets $1.50.

The Cornell Stroke.

To be used by the Syracuse University Eight.

Among those who are prominent in the world of orators for the Cornell of 1920 are the two new Syracuse University crew is L. A. Emerick, who is a former coxswain of one of Cornell's winning crews.

At present he is chief electrician of the Sylvania works in Syracuse and is a prominent resident there. He is making his services especially desirable at this time, as an enthusiastic young man who is interested in the work of a crew which will probably adopt the Cornell method of rowing, upon which subject Mr. Emerick is considered a good authority.

Christian Association Notes.

The mission study class will meet on Monday evening at seven and will be in charge of Mr. G. M. Wright. The Friday night class will be conducted by Miss E. F. Chapman.

On Sunday afternoon at 4 P.M. Rev. D. J. Dickie, pastor of the Central Presbyterian Church, will speak to the students in Barnes Hall on "Student life in Germany." Mr. Dickie is a warm friend of President White. He will be the guest of Professor Hewitt during his stay in town.

Class Pictures.

There are still a number of seniors who have neglected to sit for their pictures, thereby hindering to a considerable extent the progress of the Class Book committee. It is hoped that the matter will be attended to immediately.

Campus Views.

All those having attractive views of the campus, or of characteristic university life, are urged to send a favor on the Class Book committee by sending them immediately to Wager Fisher, 5 Summit Ave.

The usual morning service will be held at 11 A.M. and from 3:15 to 4 P.M., in the Sager Chapel, and the Vesper Service, chiefly musical, at which Mendelssohn's "Hear My Prayer" and "Promised Joys," will be rendered by the chorus and orchestra.

The public is most cordially invited to attend.

Warm Reception for the Ball Team.

When the baseball team arrived at the 12:15 train yesterday noon they were greeted by about one hundred students, who very strongly and enthusiastically participated in the showing made by the team on the Southern trip. Hence the team got off of the train a brand new laurel crown. The team welcome and congratulate the individual members, while Captain Murphy was quickly lifted upon the shoulders of some of the crowds, and the thanksgiving assemblage for the reception given the team, which they thought was well deserved and greatly appreciated by the team.

AMUSEMENTS
"A STRANGER IN NEW YORK."-
"A Stranger in New York," the latest musical comedy from the pen of America's foremost comedy singer, Chas. Hoyt, will be the offering at the Lyceum this afternoon and evening. Theatre-goers are familiar with Mr. Hoyt's methods, and no recommendation is necessary. The author of such originally clever and humorous farces as: "A Texas Steer," "A Tip to Chinatown," and "A Night cannot have failed in his new play "A Stranger in New York." It is safe to predict that it is inspired with all the humor, wit and loveliness that is so characteristic of his other successes.

THE MAN FROM MEXICO.
Willie Collier, the quaintest of American comedians, presenting Du Souchet's funniest farce "The Man from Mexico," at the Lyceum Monday night, April 10th, is one of the best offerings among the attractions secured for this city. Many comedies come and go during a theatrical year, and take their temperaments and are soon forgotten, but it is safe to say that all those who have witnessed Collier's performance of Benjamin Fitzhugh in "The Man from Mexico" will remember the event for many a day. It is filled with laughs from the rise to the fall of the curtain, and the rapidity with which one ludicrous situation follows another gives the audience no time for thought.

WILLIAM H. WEB'T S BIG MINSTREL
JUBILEE.

William H. West's, formerly of Primrose & West Big Minstrel Jubilee, takes pleasure in stating that neither time, capital or labor will be spared in presenting to the American public a minstrel pageant which is so well planned and presented as was attempted, at the Lyceum, Wednesday evening. In preparing this majestie enterprise the most careful judgment has been exercised in selecting the very best artists in the minstrel, wassail and extravaganza branches of the profession. Eminently skilled artists have been procured, including the premier of them, the sweet-voiced extra.
